

Application Serial No. 10/516,471  
Reply to Office Action of February 15, 2006

PATENT  
Docket: CU-5962

### REMARKS

In the Office Action, dated February 15, 2006, the Examiner states that Claims 50-108 are pending, Claims 50-69, 71, 73-79, 81, 83, 84, 86, 88-90, 92-94, 96-98, 100-102 and 104-108 are rejected and Claims 70, 72, 80, 82, 85, 87, 91, 95, 99 and 103 are objected to. By the present Amendment, Applicant amends the claims.

In the Office Action, each of the claims is rejected or objected to. However, Claims 70, 80 and 85 were indicated as containing allowable subject matter. Those claims have been revised into independent form, and the remaining claims depend therefrom.

In light of the foregoing response, all the outstanding objections and rejections are considered overcome. Applicant respectfully submits that this application should now be in condition for allowance and respectfully requests favorable consideration.

Respectfully submitted,

September 17, 2007
